

WASHINGTON STATE SOCIETY OF HEALTHCARE ATTORNEYS

WSSHA

ABOUT WSSHA

The Washington State Society of Healthcare Attorneys (“WSSHA”) was founded in 1973. It is operated exclusively for educational and charitable purposes, to provide an opportunity for legal advisors in the health field to meet and exchange information and ideas, to conduct legal conferences of interest to such attorneys, and to provide a central agency for the exchange of information of a legal nature in the health field.

Membership in WSSHA consists of individuals each of whom is an attorney admitted to practice in the State of Washington and who: (a) represents or is employed by a provider of healthcare service; (b) teaches in a healthcare-related area of law, or (c) otherwise practices in, or seeks to practice in, a healthcare-related area of the law.
